## Philadelphia College of Osteopathy

January 31, 1953

William B. Irvine Auditorium

University of Pennsylvania

"Never forget, that your most urgent need is for preparation that is thorough—for such a sound equipment of knowledge and facility that you will be able to meet confidently and adequately the manifold problems that will confront you in practice. Only by such unremitting, conscientious effort, in college and afterwards, can you hope to be worthy of your high calling and to command the honor which is peculiarly the reward of the able physician."

O. J. Snyder.
